BALLAD — GOLDEN DAYS

Those were golden days
All those yesterdays.
Fifty years have passed
And we're here at last
In the present now.
Things have changed and how.
But it was fun to be
Back in history.
In those good old times
Now gone.
Ours are golden days
In our present days
Things may change from now
Though we don't know how.
Yet we'll remember it
Each year September it
Will be a time to say
Those really were the days
Some of the best of days
Of our lives.
And 10 years on from here
When we're gone from here
We'll remember then
A December when
We all sang and said
Of times which now are dead
Yet they'll stay alive
As will KGV
In our memories
Of the best of times
Gone by.

SONG OF CELEBRATION

Celebration time is here!
Sing it out from far and near
Gotta sing and gotta shout
Gotta dance without a doubt
Cos celebration time is here!
Time has come to make a noise
Come on all you girls and boys
Gotta jump and gotta skip
Gotta really let it rip
Now celebration time is here!
Good it is to be alive
So sing it out for KGV
Celebrate those fifty years
Sing and dance and raise a cheer
Now celebration time is here!
There won't be another time
When we can sing and we can rhyme
This is it, so let it sound
Up to the roof and from the ground
That celebration time is here!
Yes celebration time is here!
And thanks for fifty years.....
